Dear all,

As President of the new Board of the Portuguese Orienteering Federation (FPO), I hereby inform you that I have started functions, on April 02, 2022.

Likewise, all the members of the Board took office, namely Nelson Manuel Carvalho Monteiro (executive director), Anabela Silva Marques Vieito (financial director), Teresa Cristina Mendes Alves (secretary), Nuno Silva Ferreira (vocal member), Sandra Marisa Soares Marcolino Marques (vocal member) and Lídia Maria Gonçalves Santana (vocal member)

We are looking for the best orienteering development on the national and international scene, based on a good analysis of matters of interest to this federation, on the sharing of solutions and on the valuable support of athletes, clubs, and other organizations with which it has maintained good relations.

Best regards,

The President of the FPO,

(Carlos Manuel Pereira Garcia)
